

Maruia River Retreat

near Murchison, Nelson Region

Wellness & Nature Retreat

A 500-acre estate, home to seven private villas plus a main lodge with restaurant, yoga Shala and spa nestled in native bush alongside the Maruia River.

Immerse yourself in New Zealand nature. The estate offers a unique selection of adventure, including river & bird walks, hikes, river rafting tours and river bathing.

Nurture your body, mind and soul. Relax and recharge with a sauna, join daily group or private yoga classes, soak in the stoked hot tub or visit the beautiful treatment room for a massage or a naturopathy consultation.

A private resident chef showcases the best of New Zealand dining. Creatively using produce grown on the property and local seasonal delicacies.

The property has been beautifully transformed by the current owners, Cristina and Lasse, into relaxed luxury accommodation, with a focus on nature, wellbeing, relaxation and restoration. *Maruia*, meaning “sheltered or shaded” is situated along the magnificent Maruia River, protected by mountains from the east and west and pristine native Beech forest. Your hosts will ensure you have a great kiwi welcome.

With sustainability at the heart of their ethos, Maruia River Retreat is committed to creating a sustainable destination and protecting the environment for generations to come. Focussed on being self-sufficient from the land, reducing their waste and building sustainable energy sources.

At its essence, Maruia is an incredible place for the human spirit; ideal for cultivating inspiration, motivation, connection and togetherness.

Accommodation

The seven villas (5 king studio suites, 35m², and 2 one-bedroom master suites with spa bath, 60m²) are beautifully appointed and furnished by local interior designers, super king beds and luxury linen.
