Welcome to R&R Kayaks

Rets and Ro welcome you to the breathtaking Abel Tasman National Park – the place we call home. We are a small family-owned sea kayak company with many years of industry experience in kayak tours and rentals, and extensive local knowledge (we are born and bred locals).

The Abel Tasman National Park is a very special place to our family (whanau) and we are excited to share its history, stories and natural beauty with you.

"We are a small company with a big heart".

Earth, Sea, Sail

The Earth, Sea, Sail kayaking tour allows you to experience the astounding elements in one captivating adventure. Start your day with a water taxi to Torrent Bay where you will begin your unguided walk along the most renowned walking section in the park. This stretch of Earth is bursting with picture-perfect scenery and features that are sure to take your breath away. From Bark Bay, you will touch the sea as you enjoy your guided kayak along the mesmerising granite coast, and experience water in many forms – the sea, the rivers and the lagoons (tides permitting). Let the afternoon sea breeze fill your sail and drift your way into Anchorage.
