

Wanaka's spectacular raw natural environment. Along with a longstanding commitment to conservation and giving back to our unique environment ensures an unforgettable authentic experience.

Off-Road Experiences

Words fail to describe how utterly spectacular this 4WD adventure through West Wanaka High Country Station is. Wild and empty silence, jaw-dropping mountain-top scenery with views for days is just the beginning. Participation in predator control conservation projects, yarns about farming life, and fascinating local history will leave a deep and lasting connection with the land. A great adventure the whole family will enjoy.

Departs 09.00am and 2.00pm | Duration 4 hours

Photography Tours

Shoot scenery, farm animals, sunrise or sunset you choose, we have it all! Private Sunrise Helicopter + Off-Road Photography Tour. Combine a pre-dawn helicopter flight to Coromandel Peak – Mt Roy, one of New Zealand's most iconic alpine views with an exclusive 4WD journey through West Wanaka Station.

High Country Walks

Walks on breathtaking high country stations in some of New Zealand's most spectacular locations, including locations even the locals have never experienced. . We take you well off the beaten track exploring private backroads high into the mountains of West Wanaka or Dingleburn Station. The perfect mix of wide-open walking trails, alpine meadows, jaw-dropping scenery, and high country farming life. You'll love helping out and learning about our predator control conservation project along the way too. A relaxed picnic lunch awaits atop Lookout Hill. Don't feel up to walking all day? No problem, we provide 4WD support so jump in any time and enjoy the view and friendly banter with your guide. A safe, fun and active day of classic kiwi adventure the whole family can enjoy together.
