

Abel Tasman Sea Shuttle

Abel Tasman, Nelson Region

Abel Tasman Kayak, Hike & Cruise

Cruise the Abel Tasman National Park in comfort & safety and enjoy a walk or swim on the sandy beaches of the beautiful coastal track.

The Knapp Family welcome you aboard. We are locals with a wealth of knowledge about the Abel Tasman. Not only do we own the company, we skipper the boats and build them too! Our intimate understanding of the park has led us to build the boats we use ourselves, specifically for the sea conditions of the Abel Tasman National Park. They have been designed for safety, comfort, speed and functionality.

We can show you the very special parts of the Park. We visit Spilt Apple Rock, Apple Tree Bay, Anchorage, Torrent Bay, Medlands Bay, Bark Bay, New Zealand Fur Seals at Pinnacle Island or Tonga Island, Onetahuti, Awaroa and Totaranui. We depart from Nelson once a day, Kaiteriteri up to 4 times daily in the peak season and Marahau twice daily.

We have many different trip options for all ages.

Easy walk on access with no steps or stairs. Toilets on board all our vessels. Café on board our large vessel.
